We welcome you to Seetal Kids World!

Dear parents and children, we are pleased that you bring your children to our childcare.

The child club is for children from 4 years of age daily from 10 a.m. to 8 p.m. (SUN-FRI).

The Baby Club is open for children from 4 months from MON-FRI from 10.00 a.m. to 4.00 p.m. (only possible with advance registration by 7 p.m. the evening before and included in the booked arrangement).

After consultation with us in the children's area, we will also be happy to look after your children under 4 years until 8 p.m. (depending on possibility).

During the care times, the program and the care in the children's club take place without parents. Thank you for leaving your child alone in the children's club during childcare, because this is the only way your child will not be distracted by your presence.

Kids pass

For us to be able to take care of your child in the best possible way, it is important to fill out the child pass carefully. **IMPORTANT!** Please enter all allergies and special features in the passport so that we can respond individually to your child.

Drop off and pick up

If you bring your child into care, please register your child with a caregiver. When picking up, please let us know that you are picking up your child.

Program and care times

On arrival you will receive the children's program for the whole week. There you will find the exact program items and care times listed. For some activities we ask that you register at reception and put your name on a list. Please always give your child suitable clothing and shoes! You are welcome to play with your children in the small children's area in the children's area, the larger area is only possible as part of the supervision.

No ill children

Out of consideration for other children, we ask you not to bring your sick children (fever, diarrhea, vomiting,...) to the children's club! Since we respond to your children individually, there may be changes to the program. If you have any further questions, we are always at your disposal.

- ❖ Registrations can be found at the reception. Please always have swimming gear, sun protection, rain jacket and good shoes ready.
