

Seetal's Kids

from Saturday 11th of February till Friday, 17th of February 2023

Hello kids... .. we Dani, Katharina, Lena & Verena ... we look forward to getting to know you and having a lot of fun with you!

Dani comes from the Zillertal and knows the region very well. She lovingly takes care of the youngest Seetalers. Katharina is our swimming teacher. Lena and Verena are there for our big ones. Our hobbies are swimming, hiking, dancing, skiing, cycling and travelling. We will surely have a lot of fun together!

philosophy of child care

* We would like to offer the children a lot of fun, games and adventures during these holidays. *Bringing the beautiful nature closer is particularly important to us, which is why we spend a lot of time out in the fresh air. *We always try to respond to each child individually. You can help us by giving us as much information about your child as possible. *Please fill out the child pass for us.

For organizational reasons, it is necessary to register your loved ones for each individual activity at reception by 8 p.m. the evening

- ❖ Registrations for certain activities can be found at reception. Please always pack a warm jacket, scarf, hat, sunscreen and good shoes for your loved ones.

Welcome to the Seetal children's world!

Dear parents and children,

we are pleased that you bring your children to us into the childcare.

The children's area is open daily from 9 am to 8 pm for children aged 4 and over (SUN-FRI). The Baby Club is open for children aged 4 months and older from SUN to FRI from 9 am to 4 p.

During the childcare hours, the program and childcare take place in the children's club without parents. We thank you for leaving your child alone in the children's club during the childcare, because this is the only way your child will not be distracted by your presence.

Children pass

To be prepared to take care of your child in the best possible way, it is important to fill out the children's "passport" carefully. **IMPORTANT!** Please enter all allergies and peculiarities in the passport, so we can respond to your child individually.

Sign in and out

If you give your child into childcare, please register your child with a caregiver. When picking up, please let us know that you are picking up your child.

Program and childcare times

At arrival you received the children's program for the whole week.

For some activities, we ask that you register at the reception and add yourself to a list. Please always give your child suitable clothes and shoes!

You are welcome to play with your children in the toddler area in the children's area, the larger area is only possible as part of the care.

No sick children!!

Out of consideration for other children, we ask you not to bring your sick children (fever, diarrhoea, vomiting,) to the children's club!

Since we take individual care of your children, there may be possible program changes.

We are at your disposal at any time for further questions.

- ❖ Registrations for certain activities can be found at reception. Please always pack a warm jacket, scarf, hat, sunscreen and good shoes for your loved ones.
